

Application for Tree Planting Scheme

Please give us as many details as you can to help us with our decision. As we have limited funds we will apply strict criteria to selecting sites and as a result the number of sites for planting may be capped.

Name:

Date:

Home post code:

Contact details (email/Tel):

Best time of day to contact you:

Address of site:

Cadastre No. if known:

Perry's Guide reference:

Description of where on the site tree planting is proposed:

Land use/zoning of area:

If there are neighbours to the site what is their reaction to the proposals for tree planting there?:

Contact number for any tenants of the site:

Will you allow Men of the Trees to:

- | | | |
|----|---|----------|
| a) | access the site with your prior permission | Yes / No |
| b) | contact La Societe Guernesiaise if we believe the site is in a habitat sensitive area | Yes / No |
| c) | make follow-up visits to the site to check on maintenance and progress | Yes / No |

What are you hoping to achieve from tree planting on this site:

Shelter

Screen

Shade

Landscape

Ground stabilisation

Wildlife

Noise abatement

Other (please detail)

Why do you believe tree planting on this site is appropriate?

What are your plans for ongoing maintenance and irrigation?

Are you willing to enter into a Site Owner's Agreement with Men of the Trees?

Are you able to contribute anything towards the planting of the site? eg:

Labour

Finance

Are you happy for Men of the Trees to advise on the species to be planted on your site?

Please outline boundaries of site on an attached map, indicating the approximate area of potential planting, and/or length of boundaries.

Please return your application to: The Secretary, Men of the Trees, Sandringham Villa, Le Bouet, St Peter Port, Guernsey, GY1 2AX. After we receive and register your form a member of the Men of the Trees will contact you to assess the site. To ensure your site is considered for the 2012 -13 planting season please return your form no later than 31st July 2012 - please note this does not guarantee that planting will be done.
